**PERSONALITY DEVELOPMENT**

Personality development training is a developmental programme for enhancing your personality. It helps us in improving our confidence levels and create a good and lasting impression on others.

**PAGEANT TRAINING**

We offer exceptional pageant training, educate aspirant beauty queens for pageants and cultivate the models to attain international fame.

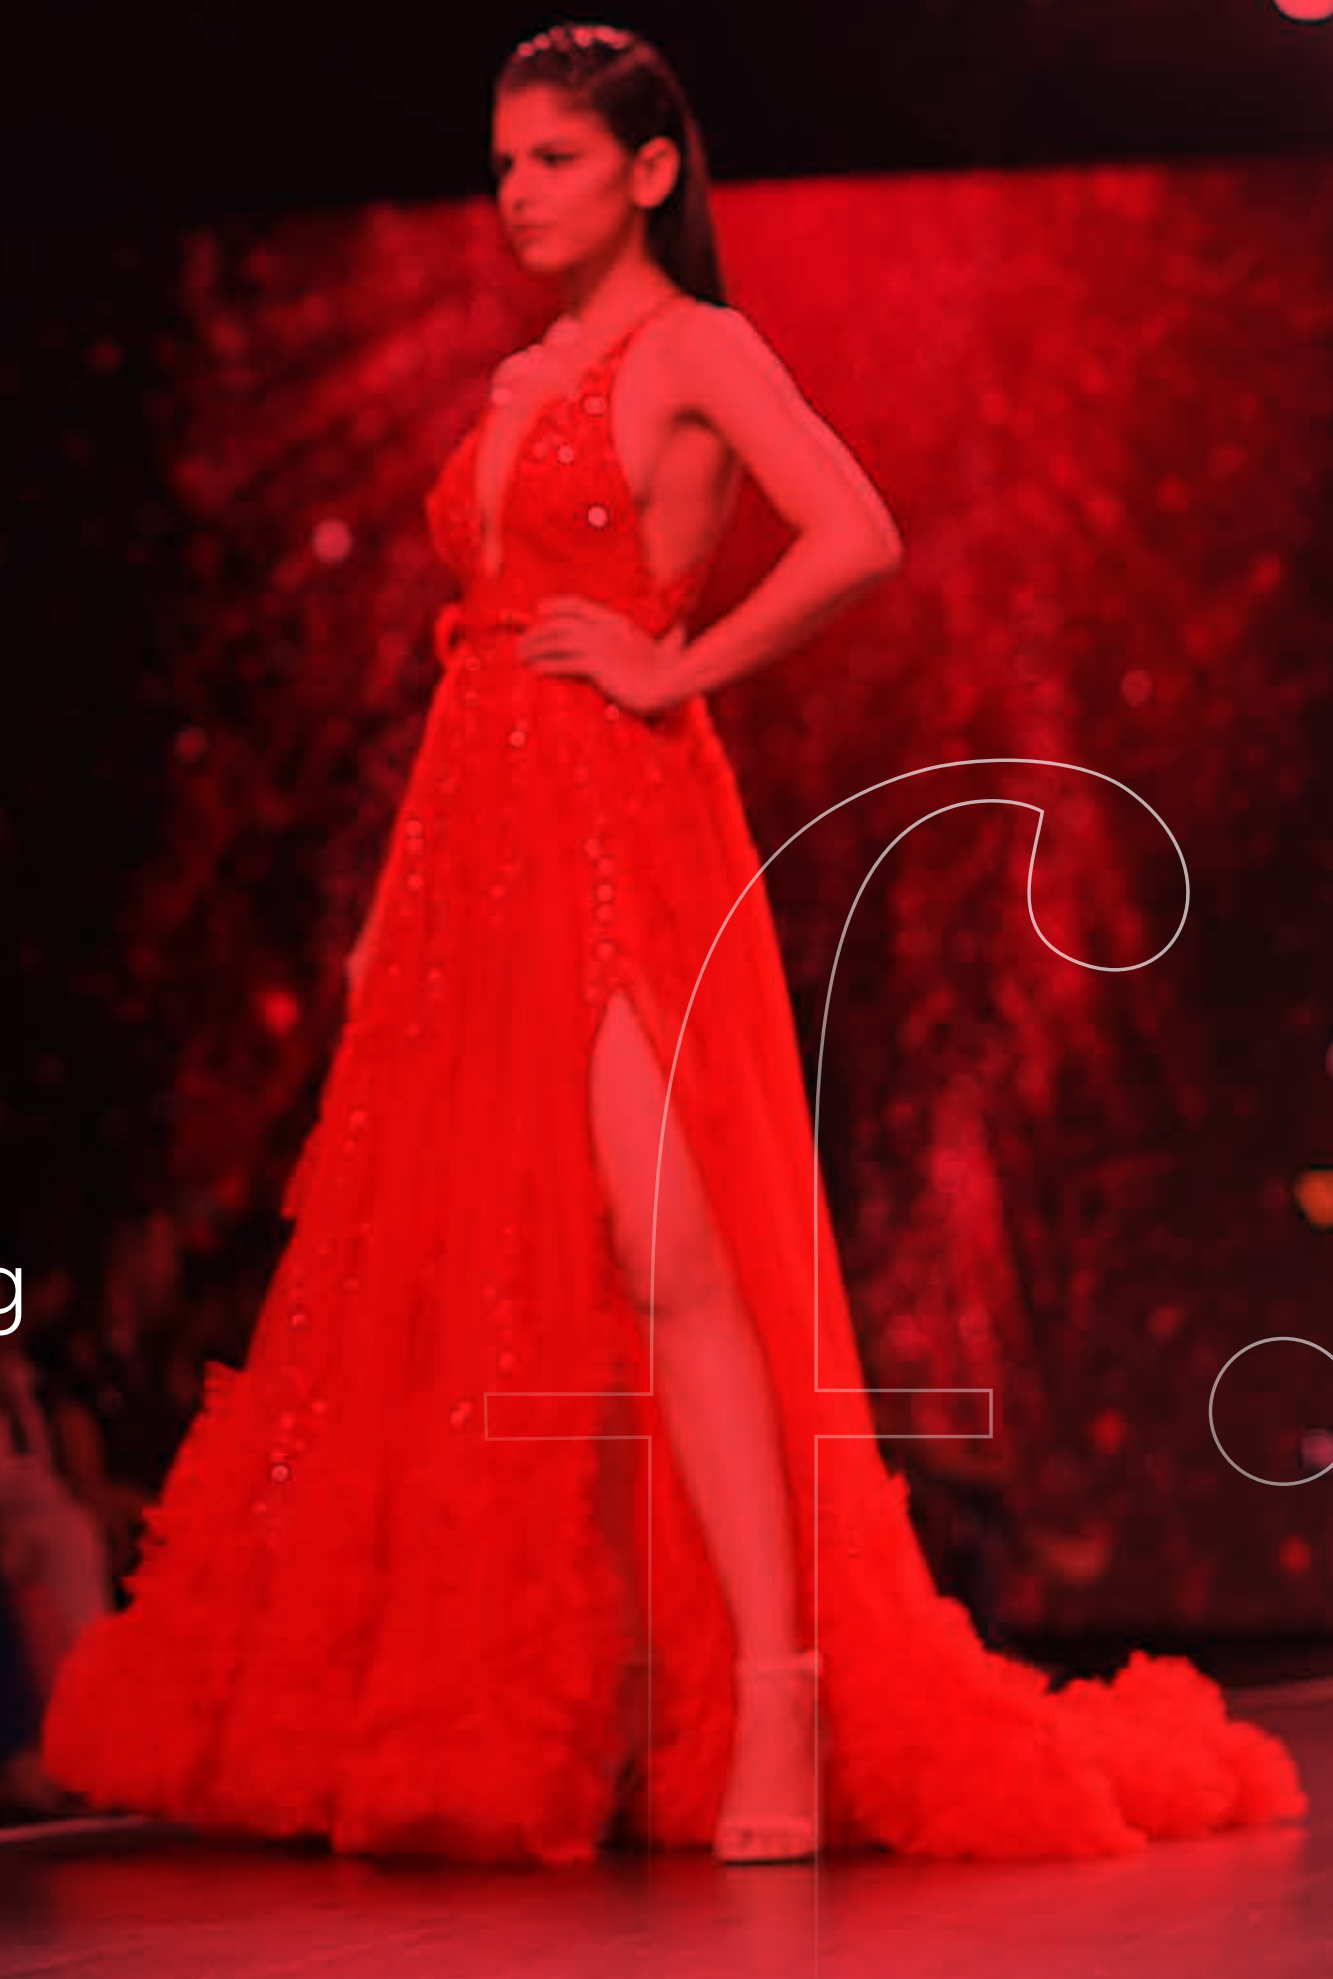

**POSE PHOTOGRAPHY**

Making a person look confident, decisive, and credible in pictures is a challenge in photography. This course will help students discover more about it.

**CATWALK LESSONS AND RUNWAY TRAINING**

You will learn all you need to know about posture, body movements, facial expressions, posing, balance, turns, various walks, garment control, video profiling, mock casting and much more whilst being on one, starting with the basics and progressing to some super-advanced runway techniques.

**MODELLING TIPS AND INDUSTRY OVERVIEW**

It trains students on how to walk at fashion shows, participate in brand campaigns, have their portfolios photographed and know about the numerous career paths available in the industry and how to reach the top.

**NUTRITION & FITNESS GUIDANC**

This course will encourage students to get the information they need to advance their fitness training and nutrition and also health and beauty-related advice to look their very best.
